

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

When I watch the local or national news, regardless of a dozen news channels, they are nearly identical. Only a few BIG companies control the TV, radio and internet news that are easily available. How deeply disappointed I am at the FCC plan to reduce oversight. OVERSIGHT IS PROTECTION. We learn and relearn and learn again that corporations respect \$\$\$ and not people. That is all. Please do not relax the rules. I look to you to protect me!
